

hello

Nietzsche quotes:

I'm not upset that you lied to me, I'm upset that from now on I can't believe you.

It is not a lack of love, but a lack of friendship that makes unhappy marriages.

The thing about dancing

Wife is best word to define your value as a friend and confidant, and I will do my best to never take that for granted. I promise to help you get the most out of life. I will always provide that for you through challenge, support, and mostly laughter. I promise to be your stone, I'll be your rock, and for lack of a better word your galactica. And of course, I will always love you.
